Differentiators

Tribally Owned Business Status

ESPS is certified under the Small Business Administration's 8(a) Business Development Program, which utilizes set-aside and sole-source contracts without dollar ceilings. This ensures our clients an expedited federal contracting processes, and unmatched efficiency and cost-effectiveness.

Expert Team

ESPS boasts a team with over 150 years of combined experience in the federal market and the 8(a) sector. Our subject matter experts are not just skilled professionals but also passionate advocates of the Eastern Shawnee Tribe of Oklahoma's (ESTO) cultural heritage. This synergy of expertise and cultural values ensures we deliver insightful, culturally informed solutions.

Commitment to Excellence

Our foundation of resilience and innovation, inherited from the ESTO, empowers ESPS to manage and deliver complex, sophisticated solutions. With a strategic approach to project management and problem-solving, we consistently achieve outstanding results, enriched by our unique tribal perspective.

Cultural Integrity and Innovation

Drawing from the ESTO's rich traditions and history, ESPS is rooted in a culture of integrity, community, and innovation. This foundation influences our business approach, ensuring our services are both effective and reflective of our strong cultural values.

Core Capabilities

Owned by the Eastern Shawnee Tribe of Oklahoma, we provide dedicated services to enhance and support tribal sovereignty and sustainable solutions for government, tribal, and commercial clients throughout North America.
